

## Press Release

- **Demaco and Wilstier Industry have signed an agreement: Wilstier officially now Authorized Dealer in China**

Noord-Scharwoude June 25, 2018: **Demaco** is proud to announce **Wilstier Industry** as Demaco's Authorized Dealer for the region of China. The **Shanghai**-based company was founded in 2013 to serve the Chinese market with high-quality Cryogenic Solutions for the Food & Beverage industry.

**Wilstier Industry** is serving customers with engineering, installation, and maintenance across the whole country of China.

"Partnering with **Wilstier Industry** enables **Demaco** to further expand into China and serve existing and new customers with high-quality Cryogenic Solutions and Services" says **Ronald Dekker** (Owner **Demaco**).

**Shen Huang** (General Manager at **Wilstier Industry**) says the partnership is a dream come true and has great expectations for the future. **Demaco** and **Wilstier** have a strong technical background in Industrial Gases. Whilst **Wilstier** has a profound knowledge of Applications, **Demaco** are experts when it comes to Cryogenic Transfer and Conditioning Systems. **Wilstier** will focus on the market **Food&Beverage and Pharma&Chemical**. The product range covers **Vacuum Insulated Pipelines** for LN2, **Conditioning Equipment** for LN2 and **Filling Stations** for LN2.

Customers will notice that **Demaco** and **Wilstier** speak the same cryogenic language and will benefit from the partnership. Both companies have great trust in the cooperation and are looking forward to a long and fruitful partnership.
